Are there any school days during the next 30 days that won't work for on-site service?

Important!

We are able to offer these lower service charges to your school provided that your machines are on top of either tables or cabinets and they are plugged in ready for servicing. Machines that are not set up as such will incur an added charge.

Please be specific in listing the quantity and types of machines including Make/Model

Example: 4 Baby Lock BL6300
