Ballad

Quilting and Sewing Machine

Compact Digital Dual-Feed System
With the new Compact Digital Dual-Feed System you will have 7.0 mm clearance for stitching on multiple layers or high loft fabrics. A total of 36 utility and decorative stitches can now be used with this foot.

Two-Thread Spool Stand
Easily attach this stand to the top of your machine to add two additional spools or large cones of thread to make switching thread colors quicker and easier.

NeverMiss™ Automatic Needle Threader
The NeverMiss Automatic Needle Threader does exactly what it promises. It's never been this fast or easy - the Ballad threads your needle with little more than the push of a button.

Multi-Function Foot Control
Start and stop your sewing with the main foot control and perform two convenient functions with the heel tap feature and side pedal. You can program the functions for this accessory through your machine.

Large Throat Space
Comfortably quilt with the Ballad's large throat space. 11.25" to the right of the needle leaves room for thick projects and bigger quilts.

771 Built-In Stitches
With 771 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.
